Work Experience

Web Developer • Oburan

February 2021 - Present

During my time working in Oburan, I had several projects:

1. Web Profil SMA Negeri 2 Kecamatan Harau
2. Sistem Informasi Keuangan Asrama SMA Negeri 2 Kecamatan Harau
3. Sistem Informasi Disertasi Pertanian Universitas Andalas

Laravel Developer - Intern • Information Systems Department - Andalas University

December 2019 - January 2020

During my internship at LPTIK Universitas Andalas:

1. Learn to make web with Laravel framework
2. Learn to apply CoreUI theme in Laravel project
3. Learn to integrate web projects with those that have been created in teamwork using git

Back End Developer - Intern • LPTIK Universitas Andalas

January 2019 - February 2019

During my internship at LPTIK Universitas Andalas:

1. Studying the database used at the institution
2. Integrate two different databases in one web program in Laravel
